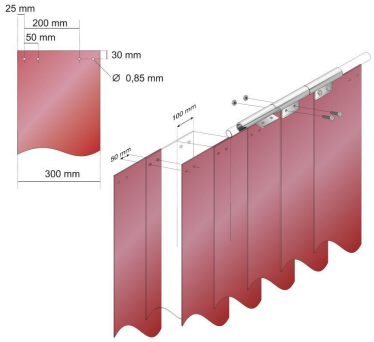
laservision

plastic slat-mounts 099



Highlights

The slat-mounts 099 help to assemble the laser safety slats. They are fitted onto a rod (diameter max. 33,7 mm) which are not part of the scope of delivery. The special form enables a swinging of the laser safety slats without losing stability. To the laser safety mount correctly (see drawing) one always needs one more slat-mounts than the quantity of slats.

Articlenumber: 099
GTIN: 4050369008908
Unit: 1 Stück
Weight incl. packaging 0,14 kg
Weight excl. packaging: 0,14 kg
