

## RX insert glazing service for laser safety frames R01 and R17

### Highlights

For applications in which laser safety goggles are not suitable for wearers of glasses, an [RX insert](#) is optionally available for the **R01** and **R17** laser safety glasses. Use the in-house glazing service from laservision directly and save yourself the trip to the optician. You can find the order form in the middle of the page.
