Clipnetic Flex-Nose for Frame F46 / Set of 5

Highlights

The Clipnetic Flex Nose improves the wearing comfort of the F46 frame. It ensures an even more comfortable fit and can be adapted to different nose shapes. It is soft, malleable and slip-resistant. The use of the Clipnetic Flex Nose is particularly recommended for use as normal laser safety eyewear (not as OTG).

Articlenumber: A46CNOSE1000
GTIN: 4050369056190
Unit: 1 Stück
Weight incl. packaging 0,02 kg
Weight excl. packaging: 0,01 kg
