Cleaning station model 1300 with accessoires

Articlenumber: A99CLSTA1300
GTIN: 4050369054745
Unit: 1 Stück
Weight incl. packaging 2,70 kg

Highlights

The professional cleaning station A99.CLSTA.1300 in the new design is intended for wall mounting and therefore finds space in every room. The scope of delivery includes a cleaning fluid (A99CLSTA1303) with a suitable plastic dispenser (A99CLSTA1304) and wood-free cleaning cloths (A99CLSTA1302) that are specially designed for the properties of laser protection filters. The combination of these two products enables gentle and thorough cleaning and guarantees a long service life for the glasses and laser protection filters.

Dimensions: W: 27cm x H: 26cm x D: 9cm

The accessories for the previous cleaning station (A99.CLSTA.1200) can be found here:
