Cover plate A99COVPL1000

Highlights

Cover plates are used during laser- or IPL treatments if particular areas within once face must be protected against optical radiation. The dull finish surface Die matte Oberfläche prevents the directed refelxion of the light.

Articlenumber: A99COVPL1000
GTIN: 4050369008823
Unit: 1 Stück
Weight incl. packaging 0,07 kg
Weight excl. packaging: 0,07 kg
