Articlenumber: F18P5L041001  
GTIN: 4050369014381  
Unit: 1 Stück  
Weight incl. packaging 0,10 kg  
Weight excl. packaging: 0,04 kg

### Highlights

The shade 3 IPL-glare shield goggle F18.P5L04.1001 features a high attenuation over the complete visible range. The daylight transmission is 13% and therefore it is preferably suitable for treatment assistance personnel. The color view is excellent. The eyewear comes in a sustainably produced hexagonal cardboard box, along with a microfiber pouch and a cord to hang the goggles on.
