## Shade 3 IPL-goggle with F34 frame

Articlenumber: F34P5L041002  
GTIN: 4050369049420  
Unit: 1 Stück  
Weight incl. packaging 0,06 kg

### Highlights

The shade 3 IPL-glare shield goggle F34.P5L04.1002 features a high attenuation over the complete visible range. The daylight transmission is 13% and therefor it is preferably suitable for treatment assistance personnel. The color view is excellent. For a professional cleaning of laser safety spectacles laservision recommends the cleaning station (A99.CLASTA.1200).
