## **laservision**

## **Swiss Air PAPR**

Articlenumber: HL1SWAIR4000 GTIN: 4050369082946

Unit: 1 Stück

Weight incl. packaging 3,65 kg Weight excl. packaging: 3,60 kg

## **Highlights**

The Swiss Air is a blower respirator with TH3 filter of the highest protection class. Its low weight and high wearing comfort make it the ideal respiratory protection. It can be worn stand-alone or combined with protective equipment. Together with our Panoramaxx helmets and FS1 laser protection visors, it is the absolute top equipment for every professional welder.
