Silicone patient eyewear P01M1P041002

Highlights

The silicone patient eyewear P01M1P041002 is not only distinguished from all other patient glasses by the filters that can be changed without tools. Due to the two supplied orange middle bars, it can be adapted to almost all eye positions. Thanks to the adjustable silicone headband, this patient eyewear can be adjusted to almost all head and face shapes and sizes, firmly and without slipping. The P01 patient glasses with the ending 1002 are therefore particularly suitable for children.

Articlenumber: P01M1P041002
GTIN: 4050369055964
Unit: 1 Stück
Weight incl. packaging 0,08 kg
Weight excl. packaging: 0,05 kg

FILTER:	M1P04
FILTER CURVATURE:	Flat filter
FILTER MATERIAL:	Metal
FILTER TECHNOLOGY:	Absorption filter, Reflection filter
