

## TTS.POST1.1002 magnet column

Articlenumber: TTSP0ST11002  
GTIN: 4050369056541  
Unit: 1 Stück  
Weight incl. packaging 0,00 kg

### Highlights

The magnetic column TTS.POST1.1002 can be placed freely on the OT by means of a strong neodymium magnet, provided that the OT has a magnetic surface. It has a total height of 309 mm. A maximum of 3 laser protection plates (TTS.M7P06.100x) with a height of 306mm can be held by it, so that there is a large number of assembly options. A plastic cap at the top minimizes the risk of injury.
