

X-ray protection eyewear X46T1X01

Articlenumber: X46T1X011001
GTIN: 4050369079977
Unit: 1 Stück
Weight incl. packaging 0,17 kg
Weight excl. packaging: 0,17 kg

Highlights

The X46 X-ray safety eyewear offers first-class protection against harmful X-rays thanks to the X-ray protective lenses with a lead equivalent of 0.75 mm Pb and a frame with additional X-ray protection of 0.50 mm Pb. It offers maximum comfort and coverage thanks to weight distribution via the head support system. The magnetic Clipnetic System enables individual adjustment, while the interchangeable prescription insert and flex-nose provide additional versatility.
